SUMMARY

Kushal Pokhrel – Experienced Mathematics and Science Tutor

With over 2 years of dedicated teaching experience, I specialize in making complex concepts in Mathematics and Science easier to understand and enjoyable for students. I offer comprehensive tutoring for students up to the 10th grade, including subjects like Nepali, Social Studies, Computer Science, and more. My approach is student-centered, ensuring every learner receives the support and guidance they need to succeed.

If you're looking for a skilled, patient, and experienced tutor, feel free to reach out to me at 9762255639 for personalized lessons that foster both understanding and academic growth.

EDUCATION

BSc PSM

ASCOL (Amrit Science Campus) / Kathmandu / January, 2025 - Present
BSc PSM (Physical Science and Mathematics) at Amrit Science Campus is a comprehensive undergraduate program that combines the study of physics, chemistry, mathematics, and related subjects. It aims to provide students with a solid foundation in scientific principles, analytical skills, and practical knowledge, preparing them for advanced studies or careers in research, education, and various industries.
